fax: 303-691-0846

ASSIST PROVIDERS

Enables providers to offer support to any family with a child that has a chronic or special health care need

Assists providers Monday thru Friday from 8 to 4; voicemail available 24/7

Provides follow-up with the provider office and with families

IDENTIFY SERVICES

Identifies who provides specialized services or resources

Provides information on waivers : what they are and how they work

ANSWER QUESTIONS

For what systems is this child eligible?

Shouldn't this child have a case manager or care coordinator? How do they get one?

Where can a family get funding?
